Dear Fellow Employee:

The Commonwealth's Performance Recognition Program provides all of us with an opportunity to express our gratitude to those colleagues who have demonstrated exceptional performance.

The program is dedicated to those public employees who have worked hard to make a difference in the Commonwealth. It is a privilege to be a part of the program and to honor these exceptional public servants who have truly demonstrated a commitment to do their very best for the citizens of Massachusetts each and every day.

In these often challenging times, it is just as important as ever to support each other and come together to recognize the contributions of our highest achievers. On October 27th, Performance Recognition Day, we will celebrate these accomplishments and rededicate ourselves to providing quality services to the citizens of our Commonwealth.

Congratulations to each of this year's award winners. It is with great pleasure that I offer my thanks and appreciation for a job well done.

Sincerely,
